Editor's commentary:

This year's memorial ceremony for deceased members:

With all the brother Knights we have lost this past year, and all the opportunities to serve as a member of the honor guard, it is a good time to encourage all Knights to progress to the 4th degree. It truly is a pleasure and an honor to serve our deceased and their families in this way. It is also a good time to reiterate that all member Knights and their immediate families (spouse and children 18 and younger) are entitled to an honor guard but they have to request it. Be sure to let your family know if you wish to have an honor guard at your services.
